FJORD 40 - ODILE

The Fjord 40 Open has a great on-water presence. This unique boat asks why hide inside when you can enjoy the outdoors?

The rear most seat can be flipped over to face aft, and the table can be lowered to form a sunbed. There are cushions for the sunbed forward which maximises the deck space for guest entertainment.

If you're worried about sunburn, you can rig a bimini between the trailing edge of the roof and poles set up in the stern.

You can carry a lot of people in comfort, and you can entertain a lot of people, too.
